# REACTIVE

**WHAT HAPPENS WHEN WORLDS COLLIDE?**

when **heaven** meets earth?

**if small encounters cause a BIG REACTION?**

A passenger on a train gets help unexpectedly from a stranger, a courageous nun surprises everyone by going nuclear and a religious terrorist is disarmed by a man from the wrong side of town.

Mixing powerful performance (and a little comic chaos) Riding Lights Roughshod use true

stories, satirical sketches and the experiences of the actors themselves to work out what happens when God decides to disturb the peace... in person.

Join us for a transformative tour-de-force as Roughshod shake things up in this explosive new sketch show for 2017.

**TOURING THE UK: 18<sup>th</sup> March - 29<sup>th</sup> July 2017**
