

Inter Church

Bat and Trap Day

St Luke's would like to invite all the other churches in the Circuit to a Bat and Trap competition on our Church Anniversary weekend this year. The game would be followed by a Strawberry Tea. We have the playing area and the equipment, all we need are the teams. Each team(s) (no restriction on the number of teams a church can enter) would be made up of three players. If individual churches do not have three players, churches could combine to make up a team. Initially we would run this as a fund raising event for our building project, but hopefully it might become an annual event to help people to get to know others from around the circuit. Further details will follow when we have an idea of the numbers interested.

Bat and Trap is a traditional Kent game, easy to play with no running costs involved. More details on the game can be found on www.mastersgames.com/rules/bat-trap-rules

Saturday 18th June at 1pm

**St Luke's Methodist Church Centre
City Way, Rochester, ME1 2QB**
