30th Rev. Lynda Cooke and all the Chaplaincy Team at Medway
Hospital
31st Rev. John Hellyer and the District Staff

Focus on Methodism

We pray for all the levels of Methodism

For the Worldwide Methodist church

For the Methodist Church In Britain governed by Conference where many policy decisions are made.

For Districts which have a variety of functions including matters to do with mission and with property

For circuits who take on many functions including day to ministerial provision in our churches, arranging training for many church roles, fixing churches financial contribution to circuit and many many more things.

*Our individual churches
And*

The small groups that meet within them.

What is this ?

This is a letter prayer which if kept will build up into a resource for praying for people and churches in our circuit . My intention is to produce an A4 folded sheet format so that each issue can be added to the previous ones to build up into an A5 booklet . I will gradually do a round -up of each church and any circuit activities .

I would hope also to use it to publicise prayer events within the circuit if you can feed the information to me .

October 2016 *After a non-appearance for a long time I'm relaunching the prayer focus sheet for the circuit. I would love to know more about who, if anyone, will use this and how it will be used. So greetings and God's blessings to you all. Margaret*

Focus on Harvest

Some of us have celebrated harvest. Some of us are about to.

Let us thank God for the abundance of food and drink and materials for clothing and others goods to which most of us have access in this country.

Let us pray to those who for a variety of reasons find it difficult to access this abundant supply . This could be lack of money because of unemployment or sudden changes in circumstances.

If we can find ways to help them practically our prayers may also be borne out in action. Many churches support food banks and other projects.

Let us pray for people in other countries where food , water, clothing and materials for building are either scarce or too expensive for the average families too afford.

Again many of our churches are already supporting charities such as Christian Aid and water Aid and many others.

Please pray for areas too where there have been unexpected crop failures and drought or where crops are destroyed during warfare.
