THIS IS AN AMATEUR PRODUCTION

# DEATH TRAP

By Ira Levin

Sidney Bruhl, that well known Murder Mystery writer, darling of Broadway and multi award winner, has writer's block - until an unknown dramatist Clifford Anderson sends him his new thriller for comment. It's the perfect play and Sidney plots to steal the play from him, but when Clifford turns up to discuss the play with 'the master' events take a sinister turn. Add to the mix a Dutch Psychic whose 'powers' threaten to spoil everything for Sidney and you have the perfect thriller from Ira Levin.
