**“I am delighted to offer my support to MHA Sunday, and to thank the staff and volunteers of Methodist Homes (MHA) for their tireless work and their continuing service, even as we face this serious health emergency.”**

**Justin Welby, Archbishop of Canterbury**

Join us for a special MHA Sunday virtual memorial service to celebrate the people we support in our specialist care homes, retirement living and communities whilst also remembering those we've sadly lost during this time.

The service will remain online to watch at a later date if you can't attend at the time. For churches who want to host an MHA Sunday service, all downloadable resources are available at [mha.org.uk/mhasunday](https://mha.org.uk/mhasunday)
