

Creating Safer Space

Advanced Module Safeguarding Course

The next Advanced Module Core Learning session for the Circuit will be

at **Bearsted Methodist Church**
on **Saturday 4 July from 10.30-15.30.**

The aim of the Advanced Module is to consolidate and develop your previous safeguarding learning and to:

- explore what this means in your designated role of responsibility within the Church
- further equip you with skills and resources to be confident in promoting good practice in the Church and community
- extend your understanding of responding well to different groups within the Church community.

The Creating Safer Space Advanced Module course is split into three parts:

- Essential preparation (1 hour 30 minutes)
- Core learning session (4 hours) plus lunch break (this session)
- Handbook (a resource for further study)

Engagement with all three elements of the Advanced Module is key to you being able to meet the aims of the course.
