

## Prayer Spaces

Does your church have a place where members and visitors can pray quietly ?

Could you create one ?

And finally a Prayer for Lent by Nick Fawcett

Remind us, Lord  
Of the true cost of living,  
And your willingness, through your Son,  
To pay it.  
Help us to receive and celebrate the life  
Made possible through him-  
Life in all its fullness-  
And to give something back in return to you  
Who gave so much.

**Moving into Lent**

*We are fast approaching the season of Lent.*

*As I prepare to preach on the first Sunday in Lent the readings are all about temptation and forgiveness.*

*This could lead to quite a negative slant on things or it could mean we look at things from a positive viewpoint of doing something different whether it be give something up to improve ourselves or to take up something new either permanently or for the discrete 40 days of Lent.*

## *Some Lenten Haiku Prayers*

*Jesus was tempted.  
Like him we see temptations.  
Help us be strong Lord.*

*You guide our lives Lord  
And nothing is impossible  
If we live like You.*

*We need to withdraw  
To prepare for our journey  
Through life in the Way*

*Jesus, please Guide us  
Towards ways of righteousness  
Following your lead*
