Mark

Song

Trust and Obey (Choir one)

Blessing

Mark

*Lord, from the busyness of our lives we have come to be still, in the hush of your quietness.
From the noise of our questions we have come to hear your voice. From the anguish our hearts we have
come to receive your peace. From the emptiness of our struggles we have come to be filled. Lord, we
have come. Meet with us, that we may not have come in vain. Amen*
