

We know anyone can become vulnerable at any time, especially when experiencing bouts of mental ill-health. This webinar, run in conjunction with the Safeguarding Officers and Learning Network from the Southern & Islands Region, will help you understand some basic information about responding well to people with:

- Organic disorders
- Mental/Behavioural disorders due to psychoactive substances
- Schizophrenia, schizotypal & delusional disorders
- Affective disorders
- Neurotic, stress-related and somatoform disorders
- Behavioural syndromes
- Disorders of adult personality & behaviour
- Mental retardation
- Disorders of psychological development
- Behavioural & emotional disorders (child & adolescent)

IN THIS SESSION...

Delivered by Dr. Claire Bridger, Consultant Psychiatrist at Moorgreen Hospital, Southampton, will help us understand some of the simple, practical ways we support those in our worshipping communities experiencing mental ill-health.
