

*"Draw nigh unto God and He will draw nigh unto you"
GOD HAS NOT FORGOTTEN
Don't expect a miracle to happen straight away
When in your extremity you found time to pray.
Have faith to go on praying, go on working too
Problems worry everyone on earth, not only you.
Leave your health in God's good keeping
And let your fears go free
Give Him time.....and never say
"God has forgotten me"*

Washing Up
Thank God for dirty dishes
They have a tale to tell
For by this pile I have here
It seems we're living well
Whilst others there are starving
I've not the heart to fuss
For by this pile it's evident
God's awfully good to us.

All Things Pass
All things pass, a sunrise doesn't last all morning,
All things pass, a cloudburst doesn't last all day.,
Nor a sunset all night.
All things pass. What always changes?
Earth....sky....thunder....mountain....water....
wind....fire....lake....These change,
And if these do not last? Do man's illusions?
Take things as they come.
All things pass.

And sometimes, you get what you need
And sometimes, you get what you get –**
