Blessing

Karen

Lord, we bring our emptiness to receive from your fullness, our aloneness to be changed by your presence and our brokenness to be healed by your love. We bring the darkness of our sorrow, pain and fear to be transformed by the blazing light of Christ's resurrection and our prison doors to be thrown open wide by the wonder of the empty tomb. We come in the name of Christ, who promises life and hope and peace to all who come to him. Amen
