

New social group in Bearsted

Launching 12th May 2022

At MHA Communities Kent we support older people to live independently in their own homes and communities for as long as possible. We offer a variety of social activities and services for people aged 55 and over.

What we do:

MHA Communities Kent hold fun weekly social activities for those aged 55 and older.

We are launching a new scheme where we will provide fun and entertaining activities for people aged 55 and over.

On our launch day we will be doing a meet and greet session followed by a soup lunch and activity. We would love to see you there!
